

5.如何添加课程内容

文字说明: 在已经搭建好的架构中, 需要添加我们的课程内容, 其中包括课件, 各种音视频, 文档, 图片, 方便老师进行课程教学。

第一步: 进入子节点或资源与活动管理当中

The screenshot displays the DASCOM course management system interface. The top navigation bar includes options like '建设与教学' (Construction and Teaching), '课程管理' (Course Management), '网站' (Website), '统计' (Statistics), and '申报' (Reporting). The left sidebar shows a menu with '开始课程' (Start Course), '课程信息' (Course Information), '课程概要' (Course Overview), '课程团队' (Course Team), '新闻公告' (News Announcement), '课程建设' (Course Construction), '教学内容' (Teaching Content), '在线作业' (Online Homework), '在线测验' (Online Quiz), '扩展栏目' (Extension Column), '课程教学' (Course Teaching), '小组任务' (Group Task), '成绩管理' (Grade Management), '签到管理' (Attendance Management), and '直播管理' (Live Streaming Management). The main content area is titled '教学 > 维护课程结构' (Teaching > Maintain Course Structure). It shows a hierarchical view of the course structure with chapters and lessons. A red arrow points to the '课时1' (Lesson 1) entry under '第一章' (Chapter 1), and another red arrow points to the '资源与活动管理' (Resource and Activity Management) link next to it. A red box with the text '进入内容添加' (Enter Content Addition) is overlaid on the interface, indicating the next step in the process.

第二步：点击教学内容

The screenshot displays the DASCOM course management interface. The top navigation bar includes a logo, a greeting, a password warning, and links for '个人中心' (Personal Center) and '退出系统' (Logout). Below this, a secondary navigation bar contains '建设与教学' (Construction and Teaching), '课程管理' (Course Management), '网站' (Website), '统计' (Statistics), and '申报' (Application). The main content area is titled '当前班级: 教学班' (Current Class: Teaching Class) and shows '班级成员(45)' (Class Members: 45), '班级管理' (Class Management), and '开设新班级' (Open New Class). A red circle with the number '2' and a red arrow points to the '+课件|教学内容' (PPT | Course Content) dropdown menu. The dropdown menu is open, showing options: '课件' (PPT), '视频' (Video), '图片' (Image), '音频' (Audio), '文档' (Document), '图文页面' (Image and Text Page), and '外部链接' (External Link). The left sidebar contains a '创建演示课程' (Create Demo Course) button and a list of course-related actions: '开始课程' (Start Course), '课程信息' (Course Information), '课程概要' (Course Overview), '课程团队' (Course Team), '新闻公告' (News Announcement), '课程建设' (Course Construction), '教学内容' (Course Content), '在线作业' (Online Assignment), '在线测验' (Online Quiz), '扩展栏目' (Extension Column), and '课程教学' (Course Teaching).

第三步：查找路径后上传文件

第四步：确定之后保存
